

EXTRAORDINARY INFORMATION

On Investor presentation upon request of the Offeror

Egis Pharmaceuticals PLC (Egis) announces that besides having received today a voluntary public purchase offer (Offer) from Arts et Techniques du Progrès (Offeror), a wholly owned subsidiary of Servier Group (Servier) Egis also received from the Offeror and hereby publishes the attached material regarding an investor presentation.

About Servier

Servier is a privately-held research-led pharmaceutical group, with more than 22,000 employees, including 3,000 in R&D, around the world and is present in more than 140 countries. Organized as a foundation and deeply committed to research, it reinvests a large portion of its sales in the research and development of innovative medications.

About Egis

Egis, headquartered in Budapest, Hungary, is one of the leading pharmaceutical companies operating principally in Central Europe and in the CIS (Commonwealth of Independent States) countries. The company focuses on research, development and commercialization of pharmaceuticals and active pharmaceutical ingredients for the treatment of cardiovascular, central nervous system, respiratory and digestive system disorders. The company sells its products in many countries across the world through business partners and strong subsidiary companies network.

Budapest, September 24, 2013
